

The Revel Performa M126Be is a powerful and elegant 2-way, 6.5-inch (165mm) bookshelf loudspeaker with impressive performance that belies its subtle and efficient form factor. Virtually every component was engineered to extract the finest details, the highest level of performance, and the most emotion possible. Like all of the loudspeakers in the PerformaBe line, the M126Be features a 1-inch Beryllium tweeter which along with the 6.5-inch DCC aluminum cone woofer, gives the M126Be unparalleled detail and accuracy with an expansive and cohesive soundstage.

Features

- 1" Beryllium Dome Tweeter
- 5th-generation Acoustic Lens Waveguide
- Deep Ceramic Composite (DCC) Cone Woofer
- High-order Crossovers with Film Capacitors and Air Core Inductors
- Magnetically Attached Grilles
- Four Premium High-gloss Finishes Available; Black, White, Walnut and Metallic Silver
